

YSM2 Ferrite 2019 Update Kit (751143)

Included in Kit:

- 1 Ferrite Collar (750452)
- 1 Zip Tie

Step 1. Update software on the 20|20 monitor to 2019.3.2. This can be found on our website www.precisionplanting.com and select Support.

Step 2. Once the monitor is updated. Please install the ferrite collar with ziptie on the flow sensor harness. This connector is labeled ANALOG PRIMARY on the YSM.
