

Clarity Architecture - Dual or Triple CAN Implements

Notes:

- 1) SRMs are required for Load Sensors, Smart Plugs and Control Modules
- 2) Total length of CAN network from DBM to Terminator not to exceed 130 ft.

Row Harness Extension

2' - 729255
5' - 729040
12' - 729041
20' - 725932
30' - 725933
40' - 725934

20' - 725946 Triple CAN
