SRM 3 Latch Replacement Installation

Replaces a broken latch on the 6 pin aux port of SRM 3, part number 729550

Broken latch

Latch Replacement Kit: 729648

Part Number	Part Name	Quantity
729572	Latch	1
11112792	Screw	1

Overview

Install this kit when the latch breaks to prevent the aux connector from working loose during operation.

Install the Latch Replacement as indicated in photos below:

Latch and screw

Align Latch Replacement in place of broken latch and insert screw.
